Cell Phones for Safety

Thinking about upgrading to a new model?

Have old cell phones lying around?

Donate your used, broken or mismatched cell phones and chargers to Domestic Violence Project Inc. (DVPI). Phones are collected, refurbished, and programmed for emergency use. Offering a no cost, no plan, phone for victims to dial 911 can save lives.

DVPI partners with Shelter Alliance and EnviroCellular to recycle and sell phones providing extra funding to our programs.

For more information on DVPI's *Cell Phones for Safety* program, please visit our website for a complete list of donation sites throughout Stark County.
